

时间表达法情景对话

王磊

马丽塔：索菲娅，现在几点了？

Marita: Sophia, what time is it now?

索菲娅：八点一刻。

Sophia: It's a quarter past eight.

马丽塔：啊？八点半上课，你怎么还没走啊？

Marita: Ah? Why haven't you left for class at 8:30?

索菲娅：我今天早上没有课，十点半才上课呢。

Sophia: I don't have class this morning. I have class until half past ten.

马丽塔：哎呀！我看你还没走，以为现在不到八点呢。

Marita: Ah! I saw you haven't left yet. I thought it's before eight o'clock.

索菲娅：你快点儿吧！教室那么近，八点二十出发，不会迟到的。

Sophia: Hurry up! The classroom is so close that you will not be late if you leave at eight twenty.

马丽塔：看来，我真不应该把你当做我的闹钟啊！

Marita: It seems that I shouldn't see you as my alarm.

索菲娅：你快点儿吧，已经八点十七分了！

Sophia: Come on, it's eight seventeen already!
